

HR Support for Your Business and Managers

Legal Support Need to talk to an attorney? No Problem! We will connect you to expert lawyers that are licensed to provide counsel in your state.

Expert HR Guidance Sometimes you need an expert to help you navigate those touchy situations. Our HR experts will tell you how to behave, what to say, and how to say it!

Handbooks and Training Build a robust Employee Handbook and educate your employees on workplace expectations. We tailor a framework that protects your peace of mind and help your business thrive.

Unlimited access to HR Professionals who advise on the best decision for the organization.

Online training for owners and employees to prevent claims of discrimination, sexual harassment, wrongful termination, and more...

Unlimited access to lawyers/attorneys licensed within your state.

Employee handbooks for all 50 states with updates twice per year (a state-specific handbook created in minutes, not hours/days, with HR Pilot's® "Handbook Wizard").
